

Oda ad bassum

Borut Gombač (1962)

(2020)

translation from Slovene: Josh Rocchio

b.c., senza vocalizzare respirando il meno possibile

Andante ♩ = 80

1. Bassum est mare sub aestu profundum, mons eminens deorsum qui crescit,
2. Pede procero ambulat bassum, unda sub terra, vulcani tactus.
3. Membrana cum plena vibrant gravitate, frequentiae corpore imo sentiuntur.

5

temporis longi momentum rotundum, cunctarum essentia vocum florescit.
antequam audis eius aer est crassum, aethere harmoniaea temporis iactus.
tinnunt chordae in inanimate, et auribus surdis bassa audiuntur.
